## Become a **BARN BUILDER** and make a difference for a horse ... for life!

Imagine what it would be like if each rescued horse at Grace had his or her own stall and paddock area. During the cold winter months, these horses would be able to get warm and have their own personal refuge from the rain. In the summer months, each horse could retreat to their "water and fly protected, misted and shady" stall. After breakfast, horses would be rotated into the over 50 acres of pasture to graze and play with their friends and at night they would return for their evening feeding.

Sound too good to be true? This dream can become a reality with your help.

The Grace Foundation is kicking off our **BARN BUILDERS** campaign ... and you can change the life of a horse for life!

Grace is asking for your help in building 80 plus- shed row stalls and paddocks to house the permanent and adoptable equine residents at Grace. This will not only make our horses' lives so much better but stalls will help reduce feed costs and make it easier for volunteers and kids to connect with the horses.

### WHAT THE BARN WILL LOOK LIKE:

- Each stall and paddock will be 12X24 and will be in lines of 20 plus stalls that will run in pastures 1 and 6, so horses can be turned out for grazing.
- Each stall will be equipped with feeder and watering systems. This will allow Grace to feed each horse based on its individual needs and will save thousands of dollars each year in feed waste.
- Misting systems with fly protection
- Front and back gates for easy access to horses
- Stall fronts will have tack and halter storage
- Personal tie area for easy and individual grooming
- DG footing for clean and dry comfort

### DONORS WILL NOT ONLY RECEIVE THE "ANGEL AWARD" AT GRACE FOR CHANGING A HORSE'S LIFE, BUT THEY WILL ALSO RECEIVE THE FOLLOWING:

- Lifetime donor sign that will hang above the stall door with the donor's name and the year it was donated
- 5-year Membership at The Grace Foundation with all benefits (a \$750 value!)
- Barn Builder ANGEL AWARD that will be featured on The Grace Foundation website and all marketing materials
- Barn Builder ANGEL AWARD plaque
- Choice of horse that stall will be donated to
- One-year sponsorship of that same horse
- Special VIP passes at all Grace Foundation events

**ONE TIME COST FOR BARN BUILDER SPONSORSHIP: \$900.00**

(This sponsorship can be broken down into 3 monthly payments of \$300 each.)

**HELP GRACE TO REACH THEIR GOAL OF 60 STALLS BY WINTER**
