

Grace Foundation

2010 Veterinary Seminar Series

The Grace Foundation of Northern California

From February to May of 2010, Dr. Mike Russell of the Grace Foundation will present a series of seven informational seminars on a variety of equine health topics. Each seminar will provide in-depth details and explanations of the topic at hand as well as providing solid take home information which an owner can utilize to help make important decisions about their own horses' health. When appropriate, descriptive discussions of anatomy and physiology will be included. The seminars will be held at the Sacramento County Animal Control Facility, 3839 Bradshaw Road, just south of Highway 50.

Each Seminar will be approximately 1 1/2 hour in length followed by an open question and answer session.

Seating is limited to 50 people
